THE NINE: INSIDE THE SECRET WORLD OF THE SUPREME COURT

Anchor. 1 Paperback(s), 2008. soft. Book Condition: New. (A New York Times Best Book of 2007 and winner of the J. Anthony Lukas Book Prize) Here New Yorker staff writer and CNN legal analyst Jeffrey Toobin takes us into the chambers of the highest and also the most cloistered legal body in our country, revealing the complex dynamic of the nine members of the U.S. Supreme Court. Based on exclusive interviews with the justices, and written with a keen sense of the Court's history and the trajectory of its future, Toobin depicts an institution at a moment of transition. "A welcome addition to the spate of recent Supreme Court histories. Informative and authoritative, Jeffrey Toobin's account draws on exclusive interviews with the principals (one critic cited a possible breach of secrecy) and offers colorful anecdotes about the members of the Court. The most important parts of the book explore Sandra Day O'Connor's critical swing votes, Clinton's impeachment hearings, and the Court's role in Bush v. Gore. Overall, a timely and important examination of the Court's past and its future." Bookmarks Magazine 452.
