RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 22 pages. OCLC Number: 53210492 Excerpt: . . . 6 Section 9832. Administration and private sector exchange assignments. This section would authorize the Administrator to detail permanent employees in a scientific or technical position to private sector entities and accept the detail of private sector employees to NASA with the concurrence of the employees involved. Assignments would be made for two years with the possibility for a two year extension; employees participating in the exchange must agree to work for the agency for a period of time equivalent to the assignment. Private sector employees detailed to NASA are subject to all conflict of interest and ethics statutes applicable to federal employees. Private sector organizations are prohibited from including the cost of salaries and benefits of an employee detailed to NASA in their direct or indirect costs for a federal contract. Following the success of Intergovernmental Personnel Assignments and similar to the Digital Tech Corps Act passed last year by Congress, this section would offer NASA a tool to exchange talent between NASA and the private sector for work of mutual concern that the Administrator determines will be beneficial to both. The exchange program should also make service at NASA more attractive and should provide an opportunity for NASA employees to improve their skills. Section 9833. Science and technology scholarship program. This section would require NASA to establish a program for providing scholarships to students enrolled in academic programs at accredited colleges and universities appropriate for professions at NASA. In exchange, students would be required to complete year-for-year service with NASA. Students must be U. S. citizens and must not be federal employees. Scholarships may not exceed the costs associated with attending the college or university. Students who fail...
