Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Almost without exception, the sacred scriptures of the world are cryptic and difficult for the novice to make much sense of. Moreover, everyone will find one or the other of the religions to be of greater interest, but will not know initially where to begin. What is needed, then, is an accessible overview. They must develop the capacity to critically evaluate alternative religious traditions and worldviews, and to cultivate the skills necessary to participate fully and responsibly as Christians in religiously plural societies. Religion has always been with us. Throughout history, it has expressed the deepest questions human beings can ask, and it has taken a central place in the lives of virtually all civilizations and cultures. As we think all the way back to the dawn of human consciousness, we find religion everywhere we turn. This may be true of the past, but what about the present - and the future?...
