Reviews

It is one of my favorite publications. Indeed, it can be playful, nonetheless an interesting and amazing literature. I discovered this publication from my father and he suggested this publication to understand.
(Camryn Williamson)

HEALING OF BLIND BARTIMAEUS (MK.10, 46-52) IN THE MARKAN CONTEXT: TWO WAYS OF ASKING

Peter Lang GmbH, Germany, 1999. Paperback. Book Condition: New. 208 x 147 mm. Language: English . Brand New Book. This dissertation is a practical example of predominantly synchronical exegesis of Mark's gospel as practised in recent years. It is about the healing of Bartimaeus (Mk 10,46-52) in its Markan context. The larger context comprises of Mark 8.27-10.52. The immediate context began with the third prediction of Jesus suffering, death and resurrection and ended in the Bartimaeus episode (10,32-52). Very prominent in this immediate context is the request of James and John, the two sons of Zebedee, for places of honour in the Kingdom of Jesus (10,35-45), and this forms a contrast to that of Bartimaeus who asked only to see. Much efforts were taken to work out this contrasting feature, and this has added vigour to the thesis.
