As she struggles with the lies and infidelities of her current boyfriend Lawrence, she finally gets fed up, and by the advice of her best friend Karen, decides to start playing the field in hopes of landing that Mr. Right. One night, when out with Karen at a popular Miami hot spot, Leah meets and becomes intrigued with an older, yet successful business man by the name of Charles. Charles as fate would have it was successful, handsome, and financially secure. After various shopping trips, events, and several hot and steamy nights; Leah is uncontrollably smitten. She does whatever it takes to keep her dream man by her side--even if that meant engaging in some not so traditional ways of sexual interaction. Having later achieved an ideal management position at a top rated financial company, Leah feels that her dreams and aspirations are finally coming together. But it is not exactly the happy ending she had imagined as she quickly realizes that although Charles may be everything she ever wanted, he s nothing she ever had; and before long her whole world takes an unexpected turn.
