

Luther's Heliand: Resurrection of the Old Saxon Epic in Leipzig (1st New edition)

Filesize: 4.47 MB

Reviews

Great e book and beneficial one. It is amongst the most awesome pdf i actually have read through. You wont feel monotony at at any time of your own time (that's what catalogs are for relating to if you request me).

(Dorothy Daugherty)

LUTHER'S HELIAND: RESURRECTION OF THE OLD SAXON EPIC IN LEIPZIG (1ST NEW EDITION)

[DOWNLOAD](#)

Peter Lang Publishing Inc. Hardback. Book Condition: new. BRAND NEW, Luther's Heliand: Resurrection of the Old Saxon Epic in Leipzig (1st New edition), Timothy Blaine Price, The 2006 discovery of the Old Saxon Heliand manuscript fragment (MS L) in Leipzig is conspicuous. Besides its proximity to Wittenberg, the Leipzig University Library - site of the discovery - was first dedicated by Martin Luther in 1545. Given this relationship between the Reformer and the discovery location, it seems possible that the Reformer once had access to an original version of the Old Saxon Heliand, perhaps as an aid in his efforts to render Biblical Hebraisms into vernacular German idioms at a time of budding German nationalism. Indeed, long before the Old Saxon epic received the name by which it is currently known, rumors arose about Luther's possession of an ancient vernacular Germanic Bible with a Latin preface. Even so, the source and age of these rumors are enigmatic. Were these rumors merely a myth created by later Protestants to counter Rome's denunciation of Luther as a heretic? Following the trail of the rumors' sources, Luther's Heliand untangles historical relationships between the builders of the Leipzig University Library and several of their students - all men who comprised Luther's innermost circle of Reformation thinkers. In their student notes, letters to colleagues, and printed diatribes against the Church and the Empire, these men recorded vital hints regarding the timing and location of their own discovery of the ancient Germanic Bible. Dating of these published accounts indicates that already several years prior to its dedication by Luther, the fledgling Leipzig University Library housed a medieval codex with features identical to those of the extant Old Saxon Heliand manuscripts, in particular MS L.
