The author of several bestsellers, Tony Burroughs has taught over 2 million people how to get exactly what they want for themselves, their loved ones, and the planet. Now, for the first time, Tony reveals the secrets from the very source in this revelatory text. Tony Burroughs was a young man living in Hawaii when an older philosopher sage took him under his wing and became his mentor at an exotic fruit farm on the Big Island. Over a period of ten years, Tony learned "The Information," a series of oral lessons comprising a body of deep teachings about the meaning of life, the history of mankind, and how to evolve and live a meaningful life filled with love, peace, and abundance. A core teaching was intention-setting, and Tony and two friends started a weekly circle to try it out. This first humble circle of three people had life-changing effects, resulting in Tony Burroughs's lifelong mission to guide others.
