By Enrico Ferri

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THE following pages are a translation of that portion of Professor Ferri's volume on Criminal Sociology which is immediately concerned with the practical problems of criminality. The Report of the Government committee appointed to inquire into the treatment of habitual drunkards, the Report of the committee of inquiry into the best means of identifying habitual criminals, the revision of the English criminal returns, the Reports of committees appointed to inquire into the administration of prisons and the best methods of dealing with habitual offenders, vagrants, beggars, inebriate and juvenile delinquents, are all evidence of the fact that the formidable problem of crime is again pressing its way to the front and demanding re-examination at the hands of the present generation.
