AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When a medical implant manufacturer discovers a problem with a certain metal formula last used several years ago, those in command think their only recourse is to abduct the last remaining host. But little did they know that Neville Ingle, a middle management shop worker, was no longer that normal person they'd been watching and stalking. Neville's newfound capabilities from the deteriorating plates in his head give him powers supernatural heroes only dream of. With only the lights from the Suburban now on, Bob could detect a blue glow around the chopper's skin and landing skid as it got within a few yards of Neville. In horror he watched a blue spark jump the remaining distance to his dad, knocking him to his knees as he took the charge full force. Bob shouted, Dad!, but it was drowned out by the noise of the chopper. Then he saw his dad turn his face upward toward the chopper hovering overhead, raise his arms toward it then absorb another ball of blue fire. This discharge lasted longer, dimming the panel lights of the bird then the ever-flashing strobe at the nose. With one last pull Neville sucked all the power from the machine. Follow along with Neville Ingle on his whirlwind ride of sex, violence and adventure in The Seeing Eye Man. Find out how an accident in his youth lands him in the middle of an intrigue that delivers him into the innermost regions of the US Government.
