Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

LESSONS FROM THE BORDERLANDS

Plain View Press, United States, 2012. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****. Stories can change us, Bette Lynch Husted says in this brave and compelling memoir about her own life as a poor rural girl who became a college teacher and author. As she tells us how she continually confronted unacknowledged borders of class, gender and race, we realize that true stories such as hers have the potential to change all of us. Historian Sue Armitage, coeditor of *The Women's West* *Lessons from the Borderlands* speaks truth. Truth about the working poor, about class in America, about possibilities and barriers in small town culture in the West. In this book I saw myself and my family, and the stories that have gone largely untold—stories about race and gender and the heroism of ordinary people struggling to live a decent life. It is a brave book, a necessary book, and moreover a beautiful book, rich with the language of poetry and of our Western landscape. Read it, please, and pass it along. Molly Gloss, author of *The Hearts of Horses* Bette Lynch Husted's *Lessons from the Borderlands* leads an impeccable entry into lives along lines long fissured and crosshatched true. Her love of land and living gifts us with tomboy tastes, a black-checked mackinaw, velveteen, painted welcome doorsteps, partnership, rehabilitation, rushing with whitewater, and circles where halves of bodies merge and baby's heart beats against our chests. A textbook case, Husted's formidable sense of reckoning delivers a hearty meal of a story bringing peace to a place a village once renewed. Like the roots called little sisters, we are pulled from our ground and brought to our knees in the wing-brushed walk we share...
