Createspace, United States, 2010. Paperback. Book Condition: New. 198 x 132 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Imaginative and smart, Sunrise Over Fire Rock Field by author John Dolbey is the sort of book that engages young readers to think outside of the box as it fuels their imagination. With a playful prose and loads of fun dinosaur action, this three-ton tale teaches a lesson on creative problem solving and the power of positive thinking. Along with the rest of the herd, Iggy and his family face an uphill battle to find food until there comes a time when brachiosauruses, diplodocuses, stegosauruses, triceratopses, and of course iguanodons must work together in order to survive. In eighteen chapters with titles such as Dragonflies, Mox and Jaz, as well as Herds Unite and Battle, a salad-less situation becomes dire and the cleverest plan is hatched by one of the herd's greenest members. Sunrise Over Fire Rock Field is a children's chapter book, perfect for kids ages 6-10 who are enjoying chapter books, or even for parents to read to younger children.
