

Becoming Transnational? Russian Jewish Students at the Universities of Late Imperial Germany

By Pavel Vasilyev

GRIN Verlag Dez 2010, 2010. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2010 in the subject History Europe - Germany - 1848, Empire, Imperialism, grade: B+, University CEU San Pablo Madrid, language: English, abstract: One of the primary values of the contemporary world is education. The scholars and laymen alike have noticed the ever-increasing role that information and knowledge play in our lives. Nearly all young people in the developed countries get their college degrees, and in many metropolitan areas in Europe and North America the graduate (Master's) degree is gradually becoming a compulsory requirement as well. Education is also intrinsically linked with mobility and transnationalism, since contemporary technology and transportation allows those craving for knowledge to move around the world in their quest - thus transforming both the students' identities and the host communities. However, it was just not always like that. The developments that are described above present a rather recent trend. In this paper I would like to focus on the experiences of Russian Jewish students at the universities of late Imperial Germany - and for some reasons. In European context, the...
