A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

DIE OR READ THIS BOOK .OR YOU COULD JUST EAT CHICKEN WINGS

Die or Read This Book .or You Could Just Eat Chicken Wings, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a true story: In late 2007, I was in the E.R. with a lab result of undetectable blood. In the days that followed, I contracted aspiration pneumonia, sepsis, and was diagnosed with myelodysplastic syndrome (MDS). This required a stem-cell transplant that led to graft-versus-host disease (GVH). My skin and fingernails fell off, I had trouble walking and needed a wheelchair, I developed achalasia of the stomach where the stomach sphincter muscle tightens and causes an inability to swallow food, and I was on a feeding tube for a year. I went blind in one eye and could hardly see in the other. I acquired cricopharyngeal achalasia where the throat closes, and it is hard to swallow. On top of this, I went insane for two and a half years. but that is not the real story. This is not just a story about living and dying multiple times or recovering from the medical problems listed above. It is, as well, a story about the inspirational voices of Nature (they are called Daemons), an ancient Egyptian priest, ancient protection dogs called Tesems, a Native American Medicine man, personal electromagnetic frequency resonance fields, and a doorway into a new reality that Nature has just opened. It is also about what the effects of the Fukushima nuclear disaster are doing to the food supply and why the fruits and vegetables are becoming sick with new and devastating illnesses. The book describes a process that can take any Baby Boomer and make them 5 to 10 years younger, both physically and mentally. The story will lead readers to a...
