American Psychological Association, United States, 2001. Hardback. Book Condition: New. Sandra Ferraro (illustrator). 3rd Revised edition. 317 x 208 mm. Language: English . Brand New Book. This lively best-selling story - now in its third edition - will appeal to youngsters diagnosed with ADD or ADHD. Otto is a high-octane young car whose motor is always running in overdrive. He also has trouble paying attention in school, is easily distracted, and acts without thinking. Otto and his parents visit a special mechanic, who prescribes medication to slow down Otto s racing motor and who shows him many ways to be more focused and organized and better able to get along with others. Reflecting a multiple-treatment approach to ADHD, Otto s experience includes counseling and other non-medical supports in addition to medication. A Note to Parents discusses the most current findings about ADHD medications, including their potential side effects.
