Xulon Press, United States, 2011. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Robert A. Orr lives a fulfilling life which began with his birth in Argentina, his boyhood and teenage years in Brazil, and his college education and pilot s training in Canada. He served as a trainer and pilot for seventeen years in Brazil and returned to Canada where he and his wife Adriana now live. With a passion, burden and commitment to address and meet the blatant need for authentic leadership and management training, Robert continues to teach and mentor Christian leaders and leaders-in-the-making around the world. Three of his objectives are: 1.Provide this resource material in many languages, 2.Make this resource tool widely available to Christian workers, missions, ministries and the Church, 3.Assist in meeting the crying need for a new, strong, youthful, motivated, energetic and visionary authentic managerial leadership characterized by godly principles and learned managerial skills. What a massive amount of research has gone into this very fine guide. I wish I could have had a copy of something like this 30 years ago! I trust that it is getting into the hands of a large number of leaders and managers in our Christian community who can certainly use the guidance and direction you supply. I was most pleased to note the number of times you quoted me and my writings in the manual. I m complemented! I was pleased to note that it is being translated into other languages for leaders in other cultures. I trust that God will continue to use you and this type of training material to His glory for many years to come. (Dr. Ted W. Engstrom, President Emeritus, World Vision).
