## BILLIONAIRES BALL: GLUTTONY AND HUBRIS IN AN AGE OF EPIC INEQUALITY

Beacon Press, United States, 2013. Paperback. Book Condition: New. Reprint. 221 x 142 mm. Language: English . Brand New Book. A society top-heavy with billionaires may seem like a paradise of upward mobility, but it actually more closely resembles a boneyard of broken dreams for all but a lucky few. Between 1980 and 2008, the incomes of the bottom 90 percent of Americans grew by a meager 1 percent compared to a whopping 403 percent for the top .01 percent. We tend to regard these large fortunes as proof of a meritocracy, yet there is no evidence that members of today s super-rich are any more talented or hardworking than were the elite of a generation ago. Via vivid profiles of billionaires--ranging from philanthropic capitalist Bill Gates and the infamous Koch brothers to brazen private equity baron Stephen Schwarzman-- Billionaires Ball debunks the notion that they deserve their grand fortunes, when such wealth is really a by-product of a legal and economic system that s become deeply flawed and is now threatening the quality of life and very functioning of our democracy.
