DOE prepared this Supplemental EA to evaluate the potential environmental consequences of providing financial assistance in a cooperative agreement with General Motors Limited Liability Company (LLC) (General Motors Company or GM). A supplement to the April 2010 EA was necessary due to the proposed building size increasing three fold as well as the addition of a parking lot and widening of a truck dock area. This building size increase is necessary to accommodate more manufacturing equipment and provide office space. If GM received the funding, they would construct a high-volume U. S. manufacturing facility to produce the first U. S. -manufactured electric motor components and assemble electric drive units for hybrid and electric vehicles. This funding would be used for constructing a building of approximately 104, 000 square feet, paving an approximately 120, 000 square foot parking lot, twenty-foot wide fire road representing approximately 8, 000 square feet of pavement or gravel, and widening a truck dock as well as various other supporting infrastructure. DOE's proposed action would provide approximately 105 million in financial assistance in a cost-sharing arrangement to GM....

### Reviews

*An exceptional pdf and also the typeface applied was intriguing to read through. It is definitely simplified but excitement in the 50 % in the ebook. I discovered this ebook from my dad and i recommended this pdf to find out.*
