Horace dwells on the figure of the fable and gives another aspect to it. The world which bids me imitate it is well represented as a beast--a beast, like those of legend, with many heads. 77-80. We are passing from the charge brought against the world, of a wrong standard, to that of inconstancy, but this is not done with logical accuracy, and the instances given of variety of taste in different people belong still to the old subject, being limited to various ways, including the most questionable ones, of making money. 77. conducere publica, to take public contracts.
