Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, The Gnostic Gospels, Elaine Pagels, As discussed in The Da Vinci Code. Long buried and suppressed, the Gnostic Gospels contain the secret writings attributed to the followers of Jesus. In 1945 fifty-two papyrus texts, including gospels and other secret documents, were found concealed in an earthenware jar buried in the Egyptian desert. These so-called Gnostic writings were Coptic translations from the original Greek dating from the time of the New Testament. The material they embodied - poems, quasi-philosophical descriptions of the origins of the universe, myths, magic and instructions for mystic practice - were later declared heretical, as they offered a powerful alternative to the Orthodox Christian tradition. In a book that is as exciting as it is scholarly, Elaine Pagels examines these texts and the questions they pose and shows why Gnosticism was eventually stamped out by the increasingly organised and institutionalised Orthodox Church.
