Robinson, London, 2011. Paperback. Book Condition: New. 12mo - over 6¾" - 7¾" tall. Brand new. When artist Shirley Johnson is murdered and her body dumped outside a provincial police headquarters, Gently is despatched from London to take over the investigation. The prime suspect appears to be the woman's husband, a former bomber pilot with a guilty secret, but the other members of the woman's art group also have strong views about her and her controversial final painting - Dark Destroyer. With too many motives, too many suspects and too little time, George Gently must work quickly before the murderer manages to slip through his fingers.
