## CHASM

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 212 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. Chasm is a true-to-life short story collection. Its naturalistic portrayals touch upon universal social concerns including child abuse, discrimination (various kinds), and work place harassment. Like Stephen Crane's Maggie, there is a palpable sense of harrowing torment and doom in tales such as Oak Tree, and Pair of China Dolls. However unlike the former, the protagonists in Chasm demonstrate climactic growth. Life goes on whether or not the tree is chopped down, the child is disowned, or the car slides backwards down the hill. In Clunkers Tale and in An Autumns Tale, the heroine's idealism clashes against the mundane inner workings of the company. Despite social handicaps and marginalization, the heroine emerges, if not unscathed, full of perspicuity. This serialized, sometimes risqué, anthology leaves no stone unturned. Tales of the Old Guide is an intimate novella on the lengths the spurned female engineer will go to, to become professional. It is also a tragic love story. Taken as a whole, Chasm functions as a moral and social compass. These are dark tales come to light, sometimes tender and breathed, other times stark and prophetic. Chasm's literal realism embraces heroism whether it is dealing with one or possibly several hardships. --prepared by CHW This item ships from La Vergne, TN. Paperback.
