Createspace, United States, 2012. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Someone s always watching. Jay Brooks s life is in chaos. His mother s sudden death has unhinged his father, making Jay a stranger in his own home. He seeks solace by spending his spare time with his best friend, Bennie, but matters are further complicated by his crush on Chloe, Bennie s older sister. A wheelchair-bound hacker, Bennie Welch practically lives in his basement computer lab. Longing to make genuine connections to the outside world, he secretly films people s precious memories for later sale and surfs the crowds at rave parties, despite the danger to his frail body. One night, Jay s hobby of Wi-Fi hotspot hunting turns serious when he unwittingly blunders into the scene of a crime and downloads a mysterious transmission. When Jay brings Bennie the contents of the transfer, Bennie embraces the opportunity to use his skills to investigate. As Jay and Bennie dig deeper into the world of electronic secrets, they find that the simple video has far-reaching implications that not only threaten their lives, but society as they know it. Tracing the mysterious coalition responsible leads them on an inexorable journey that will change them forever.
