New Generation Publishing, United States, 2003. Paperback. Book Condition: New. 194 x 120 mm. Language: English . Brand New Book ***** Print on Demand *****.This contemporary poet possesses the canny knack of writing works that are, at once, both life-affirming, and darkly foreboding. Life Without a Theme intersperses the modern and mundane with the mystical and otherworldly - myth and legend combine with nature and technology to produce poems that are provocative and moving in their austerity and vigour. The author is unique, with a talent for combining the best of classical poetry with the problems facing the modern world and it s inhabitants. Above all, in this collection, he captures and instils that sense of isolation that dogs us all in our search for fulfilment.
