Be You Nique Publishing, United States, 2015. Paperback. Book Condition: New. Janelle Jones (illustrator). 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.Protector, provider, confidant, husband, leader, spiritual head, my rock, the love of my life, handyman, king, soldier, superman; these are all positive adjectives that can describe a man. It is easy to believe that men have it all figured out and have it all together until you realize they don't. One tends to forget that men have issues too. This book will give you a glimpse into the lives of eight men who have dealt with some serious issues that have often times made them feel weak, broken down, and inadequate yet they called upon The Lord to guide them back onto solid ground. These men have prided themselves on the scripture 1 Corinthians 10:13 which says, 13 No temptation has overtaken you except what is common to mankind. And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can endure it. (NIV) There is nothing too big for our Lord. Each testimony will allow one to see what these men think about their relationship with God, what their lives were like without God, how they see themselves as husbands, and what their most valuable lesson in life has been thus far. Buy this book to realize that you are not alone, not only do you have other men, but you have God: your Creator and Father.
