Process Innovation Associates, Inc., United States, 2012. Paperback. Book Condition: New. Kevin P Hart (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The general objective of Pivotal Swing(r) is to improve the hitting process. The specific object is to see .400 hitters in MLB again. Pivotal Swing(r) is about strategic and effective change! I have blended the art and science of hitting by developing a robust design methodology that will impact the game of baseball forever. Caution: if you read this book, you will never think about hitting the same way ever again. Legitimate, positive change in any endeavor is greatly enhanced with process improvement (PI) methods. This book provides an actionable Six Sigma - PI methodology that, if applied according to the detailed instructions presented, will result in improved hitting performance. Even if you have never played the game of baseball, this book will provide insight into how to improve anything. Pivotal Swing(r) is like a David Goliath situation. I (as David) am an outsider of the formal baseball industry (as Goliath). The book shows how David can and should challenge the huge Goliath . With knowledge, specific skill and precise execution David put all these pieces together and improved something the Goliaths haven t. My experience includes extensive work with Six Sigma and process improvement (PI) application and deployment in the corporate world. In that world I have seen Six Sigma and PI applied to every process imaginable. There have been many enormous dramatic results. It was no stretch for me to decide to apply these methods to the hitting process. I am very excited about how successful the effort was. The challenge now is to communicate the development and results to those that can benefit. There are various ways the...
