Soho Press Inc, United States, 2004. Paperback. Book Condition: New. 192 x 139 mm. Language: English . Brand New Book. [A] dark, satirical comedy. . . . Written with the same kind of deadpan humor Levison used so well in his first book. -- USA Today A gleeful satire. . . . It s an amusingly bleak little (im)moral fable. -- Detroit Free Press Exciting, funny, poignant and sociologically important. -- The Chicago Tribune Levison s irony is acute as he caricatures the working world s groundlings. -- The New York Times Book Review The work Jake Skowran is offered is a lot less than legal. He s got little choice except to take it. The guys who owned the factory have left town for someplace where there s more sun and cheaper labor. The deserted plant is fenced in and the fence topped with razor wire, as if they d worried that the locals would steal tractor-building equipment and start making tractors in their basements. Jake s girlfriend has also decamped (along with the vacuum cleaner and the entertainment center). She went off with some used car dealer, huh? his bookie mocks. He was a new car dealer, Jake retorts. Jake s got six months of unemployment left before he s dead broke and the locks get changed. Life has turned into one big downgrade. It has downsized and hardened him. He s up for anything. The economy is pain, lies and silliness, and he is going to carve off a piece of it for himself or die trying. Iain Levison is the author of A Working Stiff s Manifesto, an account of his postcollegiate work experience, consisting of 42 jobs in 10 years. He lives in Philadelphia.
