Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this study is to identify the major objectives of cultural exchange programs and its impacts on the Pakistani Students. The Bureau of Educational and Cultural Affairs (ECA) float the main idea. Every year hundreds of undergraduate students are selected from Pakistan for the purpose of studying in United States for a semester or two in Global U-Grad and Postgraduate students for a period of 5 years as a Fulbright. The policies are developed by ECA to guarantee the main objectives of Fulbright and is further assisted by the binational foundations and commissions of 50 countries including United States Embassies in 100 other countries and different other cooperating agencies working in United States. The ECA along with the undergraduate and postgraduate students also sends teachers to study abroad in the Fulbright Teacher Exchange Program in order to coach them the skills required for teaching and to grant opportunities to both students and teachers to conduct their research abroad. This study aims to evaluate aims and objectives of cultural exchange programs especially the Global Undergraduate program in Pakistan. Impacts of Global UGRAD on the students of Pakistan, how and in what way they are helping the students in achieving their aims and future endeavors. Further the research will shed light on history and political importance of these programs.
