Brand New Book ***** Print on Demand *****.Excerpt from Newspaper Law: A Digest of Court Decisions on Commercial and Legal Advertising, Subscriptions, Contracts, Official Papers, Libel, Lotteries, Contempt and Copyright, Classified and Indexed for Quick Reference No other business man has a greater need of a knowledge of law than the publisher. In addition to a general working knowledge of commercial law, the publisher should be thoroughly familiar with the law of libel, copyright, contempt and lotteries and postal regulations. At the same time it is to his advantage to know just what his rights are in relation to subscribers, advertisers and public officials. It has not been our purpose to write a text book but to compile a digest of court decisions for quick and ready reference, giving specific and authentic information on the rights and privileges of publishers, the restrictions placed on their business and the court s interpretations of many points not specifically dealt with by the statutes of the different states.
