Heritage House Publishing Co Ltd. Paperback. Book Condition: new. BRAND NEW, Rebel Women: Achievements Beyond the Ordinary, Linda Kupecek, The women in these stories did the unthinkable for their time: they followed their own paths, flouting convention and daring to break from the traditions of family and marriage. They chose a life outside the norm, a decision for which most paid dearly. Nell Shipman was overlooked because she was not as acquiescent as required; she opened an independent production company just when the major Hollywood studios began exerting their power. Isobel Gunn, once revealed to be a woman, lost her livelihood and her respectability. And almost everyone scorned Mother Caroline Fulham. In this book you will discover women who faced conflict, adversity and doubt to follow their dreams.
